## CARE GUIDELINES

Position on a stable, level surface and do not exceed the recommended weight limit of 110kg.

Giant deckchairs are for chilling out, not climbing on. Keep children under supervision at all times.

Store your deckchair securely when not in use. Use the padlock loop to secure it when in use.

Check the fabric and frame regularly for signs of wear. Check the bolts and tighten as needed.

Do not machine wash. Clean with a damp cloth. Do not use detergent, bleach or chlorine based products.

The wooden frame can be gently brushed to remove dirt and dust.

Lifespan will be affected by climate, usage and care. Re-treat the wooden frame after 12 months.
